Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Saturday 16 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy with outbreaks of rain overnight and tomorrow.

This Evening and Tonight:
Some clear spells initially but cloud will increase, with hill fog developing across the Peak District. Outbreaks of light rain may arrive later in the night across northern and western areas. Minimum temperature 9 deg C (48 deg F).

Sunday:
Northern areas will be largely cloudy, with hill fog and a chance of patchy rain across the Peak District. Further south becoming dry with sunny spells before cloud increases. Maximum temperature 16 deg C (61 deg F).

Outlook for Monday to Wednesday:
Monday cloudy but largely dry until heavy rain arrives through the evening. Tuesday spells of rain, sometimes heavy, becoming drier later. Wednesday windy with heavy, perhaps thundery showers. Very mild.
